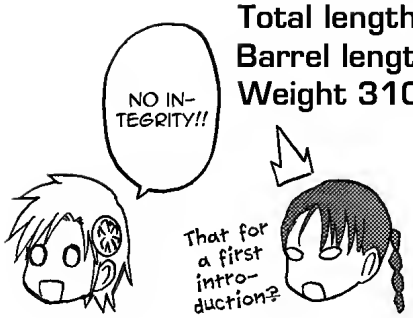
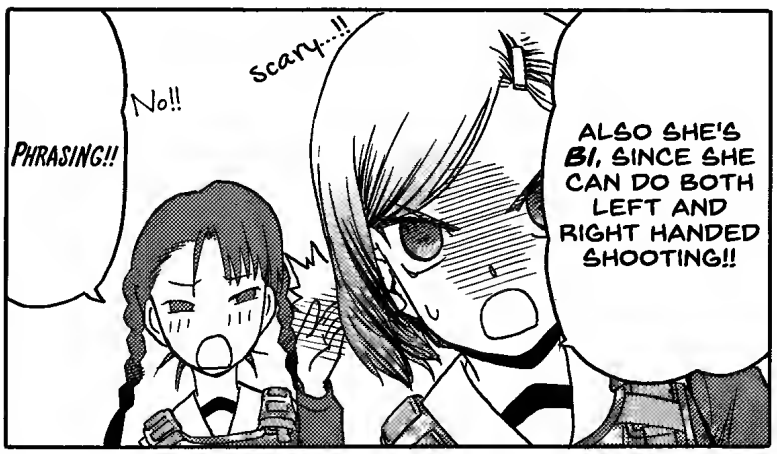
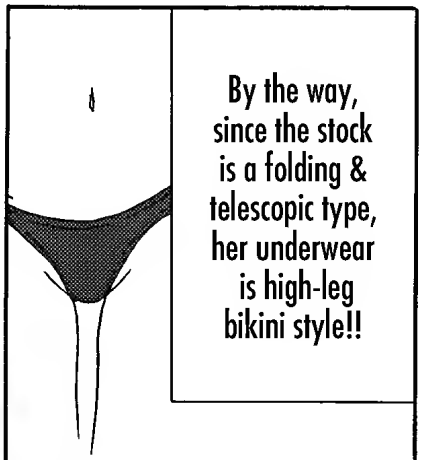
Beretta ARX160

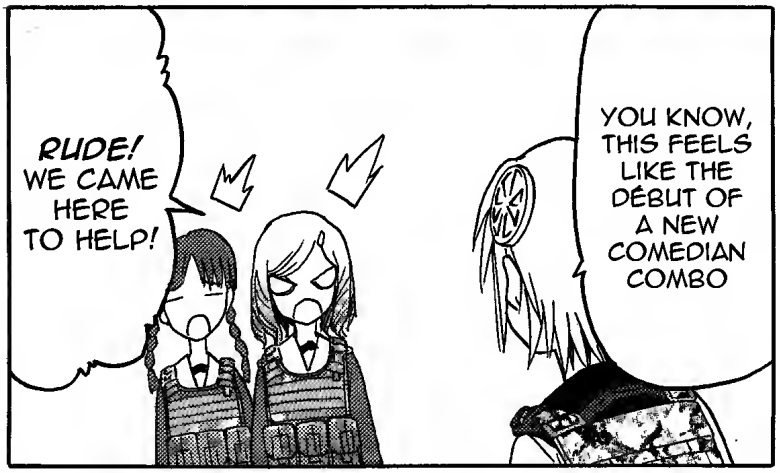
Calibre 5,56x45mm
Total length 920mm
Barrel length 406mm
Weight 3100g

A modular assault rifle presented by Pietro Beretta in 2008. Lightweight since its exterior is mostly made from polymer. A rifle that feels like all the recent trends were crammed into it.









Ed. note: The ARX160 has a number of ambidextrous controls and features (ambi safeties, three mag releases, adjustable left/right empty case ejection, a charging handle that can be swinged to either side, etc...). Betty used an ambiguous word and pronnounced it as "bi".

登場人物紹介

●ファマス●フランスの制式採用ブルパップ小銃。縦ロールのお嬢様？

ATTENTION TO THE READER

In a world of compromises, some people put watermarks on their pages

But it doesn't matter, because our translations are the fastest ones out there Look at how cool our translator is if you send us money you will be that cool of an operator too And chicks will dig you

At /ak/, we stuck some translated text on a manga page, just like a bunch of other scanlating groups have done However ours is better, because we refuse to post it to any other sites than http://ak-scans.wikia.com and /a Because

Our wiki is the greatest wiki ever made It may be unorganized and have limited content, but that's your fault If you were a real operator you would love it once again look at our translator, that sig sure is cool isn't it?

Yeah, you know you want to send money to us

And by the way, check out our new website We decided that humans don't need to quickly read manga by webpages If you were a really manly teutonic operator, you wouldn't be bother by downloads plus we've tested the server to be able to take 100,000,000 requests at one time, and that was when the server was buried in a lake of molten lava, on the moon If you don't believe us, it is because you aren't a real operator

By the way, our cheap , mass-scanned manga are the best thing ever, and totally worth giving us lots of money, but not that cheap , mass-scanned, manga from other people, thats garbage not that it matters because you're not in our threads, so you will have to wait for your translations Because you suck, and we hate you, but we know you'll be back We can beat you down like a trailer park wife, but you'll come back, you always do

Give us money.

Sincerely,

/ak/ Marketing Department
